Sunnybrook Christian Academy March 2020 Events

Kite Flying Month:

Spring is almost here! In preparation for a wonderful weather day; your child may bring in a kite store bought or homemade. We encourage students to bring in a kite that shows God's beautiful creations such as a ladybug, birds, rainbows, fish etc. If you choose a different character, please use discretion. We only want characters that are of good morals and show quality character. Students will store their kites in the classroom and with weather permitting we will announce a kite day for all to enjoy.
